APPENDIX – B Adult Offender Dashboard

The following dashboard shows offender and re-offender characteristics, needs and rates of reoffending. It includes

- A written summary of analyses
- Reoffending Rates

Demographic characteristics of offenders

- Who is most likely to offend
- Where are offenders most likely to live
- Offending Behaviour
- Offending Needs

Blaby Community Safety Partnership Strategic Assessment 2010/11

Category: adult offenders

Summary

A total of 229 offenders were resident in Blaby District.

The adult reoffending rate in Blaby is 7%, significantly lower than the overall County reoffending rate, 14%.

The most common offender needs identified in Blaby District are 'Thinking' (38%) and 'Relationships' (37%). However, offenders in Blaby District are less likely to have identified needs associated with reoffending compared to offenders across the County, in particular 'Education', 'Relationships', 'Drugs' and 'Accommodation' needs.
