

Census 2001 Key Statistics:

District: Charnwood

Electoral Division: Birstall

Following the recent boundary changes in Leicestershire, this area profile provides a summary of the key data for an Electoral Division using the 2001 Census.

When using this profile the following points should be noted:

- Ordnance Survey (OS) have indicated that the official release of geographical boundaries for the new electoral divisions will be autumn 2005. The data contained in this profile is derived from geographies created by LCC - based on information released by the Boundary Commission. If required the boundary information will be updated later this year.
- Furthermore, the Office of National Statistics (ONS) may decide to release Census profiles for Electoral Districts that have figures that could differ slightly from those contained in this profile. Again, if required the figures will be updated later this year.
- For disclosure reasons some of the figures have been rounded by ONS and so overall totals may be different.
- Finally, the material in this publication can be used free of charge, subject to it being acknowledged as Crown copyright.
