Hate Incident Monitoring Project Report - Project Overview

The Leicestershire Multi-Agency Hate Incident Reduction and Monitoring Steering Group works in partnership with key agencies to achieve two key aims across the County:

- Raising awareness of hate incidents
- · Increasing reporting of hate incidents

These dashboards are a record of the data received by the Hate Incident Monitoring Project and Police. For further information please contact the project on 0116 3058263.

Key points for reading the new interactive dashboards:

It is best to view the interactive dashboard on-line in order to get a full picture of the data provided for the given quarter.
